CURIOUS ABOUT SPEED PUZZLING?

You don't have to be fast to have fun!
Our events welcome everyone – from first-timers to seasoned puzzlers.
It's all about the challenge, the laughs, the community and the joy of finishing a puzzle solo or as part of a team.
Come along, test your skills, and you might just surprise yourself!

PUZZLE PLAYOFFS

The Puzzle Playoffs have been a smash hit in the puzzle community – with 10 teams racing to the finish for a grand prize of \$1000!

✨ In 2026, the Playoffs kick off in February. Why not gather some friends, family, or co-workers and join the fun?

👉 Teams don't need to stay the same each round – as long as you have a team captain, you can swap members in and out. (And how you split the prize money at the end is totally up to you!)

📅 There'll be 10 rounds next year – mostly on the 3rd Sunday of the month – all happening at Broncos Leagues Club. Make a day of it and enjoy lunch at the bistro before puzzling begins.

🎁 Plus: Lucky door prizes and random giveaways every round!

No age limits. No skill level required. Just an afternoon of relaxed puzzling fun with a dash of competition!

SEQ PUZZLE RACE

Final Event of 2025!

Mark your calendars – the last SEQ Puzzle Race for the year is at the Broncos Leagues Club on 15th and 16th of November!

Want to try teams but your friends haven't caught the puzzle bug yet? Simply purchase an "Add Me to a Team" ticket and we'll place you in a team (up to 4 people).
